#TogetherForAChange

Overview

RAAJRATNA FOUNDATION was established in **2019** by **Mr. Naresh Sanghvi and Mr. Ashwin Shah.**

The Raajratna Foundation was born with a vision to enhance the welfare of society through comprehensive charitable initiatives. Our foundation focuses on diverse areas including health, education, environmental sustainability and social empowerment aiming to create a positive and lasting impact on communities in need.

Key Activities

Philanthropy & Health Care

Raajratna Foundation collaborates with various health organizations to offer medical help to underprivileged patients. We have provided financial assistance to the JITO (Jain International Trade Organization) facilitate crucial medical treatments for those who cannot afford them, thereby improving their health outcomes.

Ambulance - Arogya Rath

Raajratna Foundation, with its deep-rooted sense of social responsibility and care, has taken a significant step toward safeguarding lives by donating a fully equipped ambulance to Raajratna Ventures Limited. This selfless initiative is a testament to the Foundation's commitment to the health and well-being of not only the employees of RVL but also the surrounding communities, including nearby villages and other local companies.

Education Initiatives

Recognizing the importance of education in breaking the cycle of poverty, we conduct activities aimed at uplifting deprived students. This includes providing scholarships, learning materials, and mentorship programs in collaboration with Shwas Foundation to help them achieve their academic goals.

- Shwas Foundation, New Ranip Center (07.08.2024)
- Rajasthani Bhasha AR Sanskruti Prachar Mandal
- Shwas Foundation - Ahmedabad Heritage Walk
- Helped Student for CS Studies
- Jain Academy Edu. Research Centre Promotion Trust - 11.09.2024

Environmental Sustainability

We are dedicated to protecting the ecosystem through various environmental initiatives, including dense plantation drives in collaboration with SSV foundation and support to various Panjarapoles. These efforts help combat climate change and promote biodiversity, fostering a greener planet for future generations.

- SSV Foundation for developing Raajratna Oxygen Park Phase I at Paper Factory - 1000 Trees (277500+73500)
- Eklavya Foundation for Plantation - Phase II

Ecosystem - Jivdaya
